

BALANCING MIST TONER FOR ACNE PRONE SKIN

INDICATIONS:

- For oily and impure skin prone to acne.
- For skin prone to acne rosacea.

FUNCTIONS:

- Rebalances and stabilizes the physiological pH of the epidermis to 5.5
- Respects the hydrolipidic film, and improves skin hydration.
- Refreshing, calming and keratolytic, evens skin tone.
- Astringent, improves the appearance of enlarged pores.
- Prepares skin to absorb product ingredients.

VISIBLE RESULTS:

- Immediate, fresh sensation
- The appearance of pores is visibly improved
- Skin is left with a matte finish
- The complexion looks brighter and more unified

DIRECTIONS: For daily use, after cleansing the skin. Spray on the face and neck, or apply with a cotton pad. Finish by applying the appropriate skin care products to your skin type. (May also be used throughout the day to kill bacteria or set makeup)

MAIN INGREDIENTS: Butylene Glycol, Lactic Acid, Salicylic Acid, Camphor

Butylene Glycol	Larger and less irritating molecule Humectant, solvent, and emollient Water soluble; Attracts water Enhances penetration
Lactic Acid	Antibacterial and anti-inflammatory. Prevents the formation of blackheads and excess sebum production. Prevents the proliferation of bacteria «Propionibacterium acnes». Reduces the production of free fatty acids that are irritating and comedogenic.
Salicylic Acid	Derivative of willow bark. Regulates sebum secretions. Unclogs deep pores. Liposoluble, dissolves blackheads. Prevents the appearance of scars by stimulating collagen and cell renewal. Improves the appearance of large pores. Unifies and clarifies the complexion.
