

VitaEssence

CLEANSING MILK

INDICATIONS:

- Recommended for morning and evening facial cleansing.
- For dry, mature, sensitive and normal skin types.

FUNCTIONS:

- Gently cleanses the skin.
- Effectively removes impurities.
- Respects physiological pH and strengthens the hydrolipidic film.
- Non-comedogenic.

VISIBLE RESULTS:

- The face is perfectly cleansed.
- Leaves skin soft, fresh and with a healthy glow.
- Causes no sensation of tightness.

DIRECTIONS: To use daily, morning and night. Apply to the dry skin or on previously dampened face and neck. Lather. Rinse. Avoid contact with the eyes. Emulsify with the appropriate toner lotion for your skin type.

MAIN INGREDIENTS: Rose Flower Water, Witch Hazel Water, Cornflower Water, Aloe Leaf Extract, Brassica Seed Oil, Lime Peel Oil.

ADDITIONAL INGREDIENT INFORMATION:

Rose Floral Water	Known for its refreshing, purifying, soothing and astringent properties.
Witch Hazel Floral Water	Astringent, purifying and skin toning. Soothing: relieves skin irritation. Venous and circulatory: promotes skin microcirculation.
Cornflower Water	Astringent, soothing and anti-inflammatory. Calms and reduces red patches on sensitive skin. The soothing and decongesting properties reduce bags and revitalise puffy, tired or irritated eyes.
Aloe Vera Extract	Hydrating, soothing healing and protective, Aloe Vera neutralizes impurities. Thanks to its antibacterial and antiseptic properties. Emollient effect, helps remove dead surface cells. Anti-inflammatory and anti-irritant, respects the most sensitive skin. Rich in polysaccharides.

VitaEssence
